Made for networking

Our seven fully serviced air-conditioned meeting rooms are in the techUK offices just off Fleet Street in Central London.

Our conference rooms vary in size and can accommodate up to 120 people, with a separate networking area for refreshments, breakfasts, lunches and afternoon receptions.

The networking area (left) includes 30 hot desks where members can stop off whilst in London, enjoy a complimentary tea or coffee, meet clients, and check their email using our wi-fi.

Both our meeting rooms and networking area offer:

- A small team of helpful staff to support your event
- Free wi-fi access
- Air conditioning
- Unlimited tea, coffee and biscuits
- Fully equipped meeting rooms with AV, tailored to your requests
- Catering upon request

About techUK

techUK is the trade association which brings together people, companies and organisations to realise the positive outcomes of what digital technology can achieve.

With over 1,000 members (the majority of which are SMEs) across the UK, techUK creates a network for innovation and collaboration across business, government and stakeholders to provide a better future for people, society, the economy and the planet.

By providing expertise and insight, we support our members, partners and stakeholders as they prepare the UK for what comes next in a constantly changing world.
