About SGTech

SGTech is the leading trade association for Singapore's tech industry.

Representing more than 1,200 member companies ranging from top MNCs, large local enterprises, vibrant SMEs, and innovative startups, it is the largest community in Singapore where companies converge to advocate for change and drive what enables tech innovation and accelerates tech adoption to spur greater sustainability in the sector.

SGTech's mission is to catalyse a thriving ecosystem that powers Singapore as a global tech powerhouse.
