

# Update from Cluster 1

Jo O'Riordan on behalf of Saul Friedner, Chair of Cluster 1 and LS Telcom

---

Worked with Cluster 3 to hold a session on Monday 18 October on Future Capacity Demand with a Rural Focus

- Great discussion
- Slides are on the website
- A summary will follow

We will hold a Rail session later this year – date TBC

- Impact of GBR/new tech/infra on trackside/sunsetting 2G/3G etc

If you have other ideas please get in touch
