

IN PARTNERSHIP WITH

**techUK**  
FOR WHAT COMES NEXT

## BE PART OF THE TECHUK PAVILION

techUK have partnered with The Emergency Services Show and are inviting its members to showcase their technology solutions to the blue light sector. With a dedicated pavilion in the Future Policing Zone, this is an excellent opportunity to meet with key buyers from the police sector and the wider emergency services.

The Emergency Services Show is the UK's leading event in its sector. Promoting technology collaboration within the emergency services, it attracts 10,000+ visitors from ALL emergency services looking to improve emergency response operations and community safety.

### The techUK Package includes:

- 3m x 2m shell scheme stand in the techUK Pavilion (including walls, carpeting, stand lighting, power socket, table and chair)
- Access to our new matchmaking concierge service Connect+
- Your listing on the Show website, Official Preview and Show Guide
- Full marketing and PR support from the ESS event team
- Branding and promotion as part of the techUK Pavilion

>> £2754.00 + VAT | SPACES ARE LIMITED
