

Marketing opportunities calendar 2026

We are looking forward to receiving your contributions to our campaign weeks, blogs, and events this year. Please refer to our [contributor guidelines](#) and [sponsorship opportunities](#) for further information.

Please note the below opportunities will be updated as more information becomes available.

If you have any questions, please contact sean.moore@techuk.org or margherita.certo@techuk.org

May

[Building the Smarter State Conference](#) – 13 May

techUK's Building the Smarter State is an annual event that welcomes over 200 senior leaders and decision-makers from across government and the technology industry to showcase how innovation is reshaping public services today and building the smarter state of tomorrow.

[Supply Chain Security week](#) – 18-22 May

techUK is inviting contributions for its upcoming supply chain security campaign week, which will explore the challenges, innovations and best practices shaping secure and resilient supply chains. Members are encouraged to submit blogs and case studies for inclusion in the new Supply Chain Security Playbook, highlighting practical approaches to strengthening cyber and national security resilience.

[Defence Spring Dinner 2026](#) – 21 May

Booking is now open for this event.

June

Tech and Innovation week – 15-19 June

More information coming soon. Please contact victoria.njururi@techuk.org to express your interest.

Reimagining CareTech Week – 22-26 June

More information coming soon. Please contact Lucas.Banach@techUK.org to express early interest.

[Annual Dinner](#) – 30 June

The techUK Annual Dinner is the highlight of our calendar, bringing together key figures in the tech industry, government representatives, and influential stakeholders.

This distinguished event offers you an evening of unparalleled networking opportunities, thought-provoking discussions, insights into the future of technology, and exciting celebrations. In 2025, the techUK Annual Dinner attracted over 650 guests, including 130 senior Government and civil service leaders as well as key figures across industry and the

tech community. Previous speakers include Sarah Munby, Permanent Secretary at the Department for Science, Innovation and Technology, Amol Rajan, Journalist and broadcaster, Rt Hon Rishi Sunak MP, the Rt Hon Chloe Smith MP, the Rt Hon Nadine Dorries MP, and the Rt Hon Chris Philp MP.

July

Cloud and Telecoms week – 6-10 July

More information coming soon. Please contact victoria.njururi@techuk.org to express your interest.
