# TRAMSHED TECH PROGRAMMES

## STARTUP > ACADEMY

Pre-Traction, Pre-Customers

10-week incubator

## INVESTOR > READINESS

Post-Traction, Pre-Seed

12-week incubator

## SOFT > LANDING

Managed by

International tech businesses looking to set up in Wales

## MEET THE > FUNDER

Connecting Founders with Investors  
that are active within specific tech verticals

## GREENTECH > ACCELERATOR

Environmentally focused businesses pan Wales  
12-week accelerator

## CONVERGENT > CONTENT

Creatives looking for innovative solutions and techies  
looking to work on new and exciting creative projects.

We are founding partners of:

Hyb Arloesedd Seiber  
Cyber Innovation Hub

We also deliver:

TECHNOLOGY EXPORT  
CLUSTER **WALES**

# Wales Tech Export Cluster

## **In 2019, Welsh firms exported £17.8bn, but only 5% of Welsh companies were exporting.**

In 2019, firms in Wales exported £17.8 billion worth of goods to markets across the world, with the EU being Wales' most significant trading partner. There were 106,015 businesses operating in Wales in 2019 but HMRC figures show that only around 5,243 of them exported goods that year.

Tramshed Tech was recently awarded a Welsh Government contract to help deliver an Export Strategy for the Welsh Technology sector, in partnership with Impact Innovation.

### **Program features:**

- 4 year program
- 25 Welsh SME's per year/cohort
- Exposure to international market place
- Contacts made and relationships formed with key international markets and business and investment networks in key target territories

# Tech Clusters

**We work closely with with Welsh Government and sit on a number of boards and tech clusters across the UK to include:**

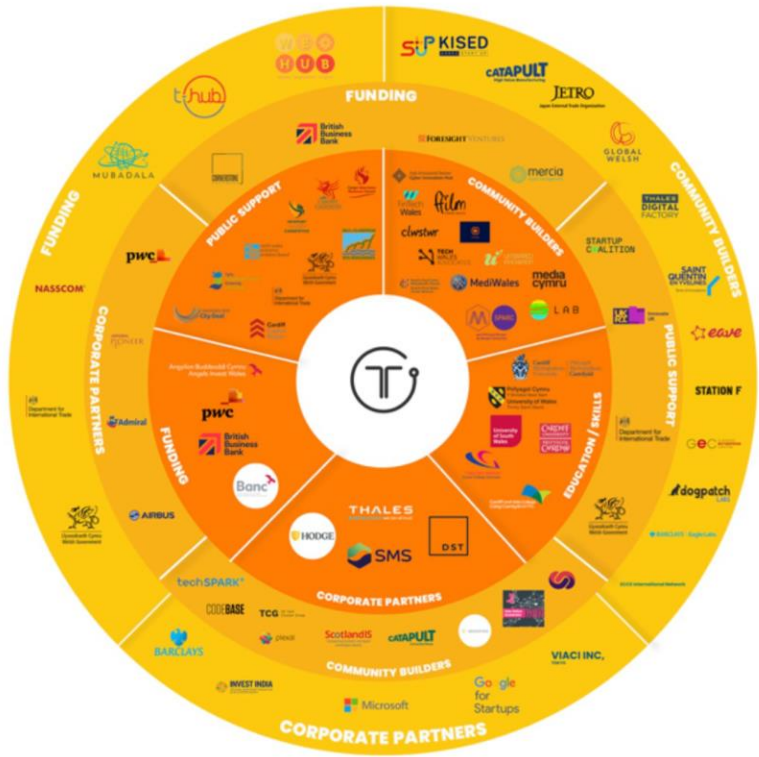

- **UK Tech Cluster Group** – Founding partners of UKTCG, a pan-UK group of organisations that represent geographical tech clusters and digital businesses across the UK.
- **Technology Export Cluster** – Welsh Gov awarded the The Tech Export Cluster to consortia made up of Tramshed Tech, Impact Innovation and Business News Wales. In 2019, Welsh firms exported £17.8bn, but only 5% of Welsh companies were exporting. This programme aims to accelerate the growth of Welsh exports.
- **Tech Wales Advocates** – Founding partners of TWA, the 5th in the UK including Tech London Advocates, Tech North Advocates, Tech Belfast Advocates and Tech Scotland Advocates. TWA has 19 sibling organisations comprising over 12,000 tech leaders, experts and investors around the world.
