Future Telecoms Conference

Event Date: Q1 2026 | **Venue:** Central London

Timings: Day Conference

About Future Telecoms Conference

This conference will bring together stakeholders from across the public and private sectors to set the agenda for the future of connectivity for the UK.

Last year, The event will address the investment challenges faced by telecommunications companies in the UK and Europe, focusing on market changes and the critical need to bridge the digital divide by extending reliable connectivity to underserved areas. Industry leaders and policymakers will discuss aligning industry goals with government frameworks, fostering innovation through strategic investments, overcoming regulatory hurdles, and supporting the transition to next-generation of broadband technologies. Attendees will gain insight across keynote speeches, thought-provoking panels and presentations as well as interactive breakout sessions across the day.

Who is it for?

Industry and public sector stakeholders invested in digital connectivity across the UK, who are interested in hearing the latest developments for the industry.
