

Who the UK Spectrum Policy Forum (SPF) are

A proactive industry-led 'sounding board' to UK Government and Ofcom on future policy and approaches on spectrum.

The Forum is open to the full range of UK spectrum users.

Our Clusters

1. [Future Spectrum Demand](#) | Chair: Saul Friedner, **LS Telcom**
2. [Long-term spectrum strategy](#) | Chair: Stephen Temple, **University of Surrey**
5G/6GIC
3. [Spectrum Value and Efficiency including Sharing](#) | Chair: Tony Lavender, **Plum**
4. [International Spectrum Issues](#) | Chair: Kumar Singarajah, **Astroscale/Euroma**

Our Plenary

During these meetings attendees hear updates from the Steering Board and the Cluster Chair's plus we have external speakers.

Next Session: Thursday 21 October, 14:00-16:00.
