

UK SPF Cluster 3: Spectrum Sharing Workshop 2/3

Thursday 26 August 2021
14:00-16:00

Under Chatham House rule: When a meeting, or part thereof, is held under the Chatham House Rule, participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed.

DCMS has asked Cluster 3 to review spectrum sharing in the UK and the extent to which current shared spectrum access is creating the right conditions for new players to provide innovative 5G services.

Three workshops will consider this question. The first of in this series [took place on Friday 18 June 2021](#) and looked at 5G services / use cases and their spectrum requirements.

This Workshop's Focus

It will look at options for shared spectrum supply, potential barriers to sharing and measures implemented by Ofcom to enable sharing.

Chair: Tony Lavender, Plum Consulting and UK SPF Cluster 3 Chair

Speakers:

- Paul Chapman, Ofcom
- Paul Rosbotham, Vodafone
- Simon Rockman, Telet Research

The Next Workshop's Focus

It will focus on the role of DSA and recommendation around its introduction in the UK.

Date: TBC
