Did you know?

Women with science and maths qualifications earn on average £250,000 more during their working life, than those without.

Women with science and maths qualifications have a great choice of careers, with plenty of flexible working and part-time options.

Girls can find career ideas to suit their personality by taking the ‘People Like Me’ quiz by visiting the website below for details of the app and resource pack for schools.

Ask your school

how they are helping girls to find out about all the options available to them.

Visit

www.wisecampaign.org.uk/peoplelikeme to find out more.

WISE has produced ‘People Like Me’ school resources which allow girls to identify 3-5 types of people whose personalities and attributes match their own.

> Explore those types in this flyer
> Girls can start to think about jobs that will make them happy and successful.
